EDUCATION

University of Illinois - Urbana-Champaign   May 2018

Bachelor of Liberal Arts and Science in Math and Computer Science

3.27/4.0 GPA

DeKalb High School   DeKalb, IL

3.9/4.0 GPA   June 2014

EXPERIENCE

Monsanto Company   Waterman, IL

Field Technician   June to August 2013, 2015, 2016

- Corn Pollinator – Covered ear shoots, selected ripe tassels to cover, and placed pollen bags from tassels onto ripe shoots to self-pollinate the corn plants
- Cooperated in small teams to orchestrate the pollination
- Refined skills learned at BASF

BASF Plant Science   Sycamore, IL

Field Technician   July 2012 to August 2012

- Learned to pollinate corn - Comparable duties as at Monsanto
- Strengthened efficiency, focus, and perseverance – Worked in the fields in 100° F weather for six days a week, rain or shine

---

PROJECTS

Lumiere (C#/Unity)

- 2D dungeon crawler game featuring progressive random dungeon generation, player and monster combat, an inventory and equipment, dynamic loot, and basic animations and sound. Collaborated on a team of eight developers.

Music Player (C++/QT)

- Music player library and GUI allowing categorical sorting by artist, album, etc. and playlist creation. Repeat your favorite song or skip one you don't like. Includes test suite.
